

PRAISE AND PRAISE AND PRAISE, AND PRAYER FROM EL CAMPELLO FEBRUARY 2020

Yes! You did read the title correctly. There is just so much for which to praise and thank God. I am overwhelmed and my heart is so joyful right now. Perhaps this is how Moses and Miriam felt in Exodus 15! God has moved to answer so many prayers very rapidly since the beginning of 2020. We have new Pastors – a wonderful godly couple with a huge amount of experience. But, that is not all. We have become a registered church within Vida & Familia (which is part of the Christian and Missionary Alliance.) We have a new and extremely talented young music worship leader. We have a young couple who are gifted in administration and communication. We have translators. We have someone who is gifted in children's and youth ministry. We have a new youth group. All this suddenly in place in the course of a few weeks! I can hardly believe it and can only marvel at God's ways. It seems that His desire is for CCC to enter into a new and wonderful chapter with so much provision that I am lost for words. All I can do is praise, praise, praise the Lord for His great faithfulness and His great goodness and so many huge answers to prayer. THANK YOU THANK YOU THANK YOU for praying. We did not know what to do – but our eyes were on HIM. And He has acted in an amazing way.

We celebrated last Sunday as we thanked the outgoing trustees of CCC Charity and welcomed the new leadership team for CCC Church. Patty is a gifted teacher of young children so, of course, the kids joined in the celebration – see right

Juan and Patty are experienced pastors with many years experience. They have planted 10 churches in Europe and they also oversee Bethany School which is the Bible School for young people from all over the world, based in El Campello. They envisage CCC working closely with the Bible School.

Please praise God with us for all the above and for all the many answers to prayer. Please continue to pray for us, especially during the period of transition from CCC Charity to Vida & Familia CCC Church.

Please pray for:

Wisdom and strength for our **new pastors** and leadership team

Financial provision as we seek to continue to build the Kingdom of God in El Campello

Our **children and young people** – for their protection, as we know our enemy seeks to destroy them because they are so necessary for the future, if the Lord does not come

For **new believers who have been discouraged** by the problems in 2019 – that they may see how God has worked out everything for good. Genesis 50:20

Thank you again so much for praying. Please continue! We need prayer covering more than ever as we are already experiencing another growth spurt and the enemy will notice this too. We know that God's plans and purposes will never fail, but we also know we must be vigilant in prayer.

With love and blessings and huge thanks to each of of you

Margaret xx
