## COMING TO CHURCH

Dear St Mark's family,

*I wanted to share what we'll be doing at church over the next six weeks and offer something of a way forward at this time. Acknowledging the reality of both joy and pain- from birth to death and in between. From the challenges of birth during Covid to not being able to collectively mourn and give thanks for the death of loved ones, there are so many stories in between that speaks of fear and pain. The Online church has been a blessing, many people around the world have appreciated our efforts for online church - for some are just waiting to get back to some sense of 'normal' because technology has its limits. Gratitude to God for answering our prayers, for the fabulous NHS & Vaccination rollout. As we welcome the freedom we are privileged to we must not forget the people and places around the world that don't have what we have. As we continue to live for Jesus love this town and learn together, may loving and caring for others be the driving force.*

*Here's what's going to happen at St. Mark's, the specific things that the reopening strategy team recommended and PCC agreed on last Monday and which we will review all this in early September:*

### **BOOKING**

We will continue to ask you to book for services. Please book by 12 noon on Saturday before the Sunday service. The number of people allowed in a service will increase as we will set the seating one metre apart. This will also allow us to keep details for test and trace and also enable us to know the seating requirements (ie singles, couples family groups). We would remind people not to attend services if you are unwell. **To book see the website or call the office 01634 570489.**

### **HAND SANITISING**

You will be asked to sanitise your hands as you enter and leave the building.

### **FACE COVERINGS**

We encourage and recommend that people continue to wear face masks in church, to protect themselves and others as we want to foster responsibility and care towards those who may be vulnerable in our church family.

### **SINGING**

You can sing keeping on your mask to minimise transmission of airborne particles.

### **THE PEACE**

We ask that people stand to greet one another without moving from their seats.

**MOVING AROUND** We will keep the direction of travel around church to a one-way system to help people to remember to be aware of others in church so that we can move around in an orderly way.

### **FOOD & DRINK**

Tea and coffee will be served outside (weather permitting) in disposable cups. This will not be able to take place until we can put together teams to serve.

### **FELLOWSHIP**

People are encouraged to connect and fellowship outside of church after the service finishes.

### **CAR PARK**

The church car park will not be open for parking in for Sunday morning services as this area is used as a main exit and safely set up for after church fellowship.

*As always I am available for a chat, to pray with you, to listen and to accompany you in your journey of discipleship. Please ask.*

*We take hold of the words of prophet Isaiah: Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.*
